Description

Sellers have priced this like new home to sell, built on 2005, this home features a terrific floor plan and is located in a great neighborhood. This home has tons of curb appeal with mature landscaping and freshly painted exterior and low maintenance brick. The plan features a foyer that opens to a large living area with tall ceilings. A built in entertainment area is located above the gas fireplace and the large windows offer plenty of light. The kitchen is adorable with ceramic floors and counters, the sleek appliances and stainless fridge stay! The dining area is located just off the kitchen and features a huge window which creates a great atmosphere. The bedrooms are designed in a modified split plan, with all bedrooms on one side of the home, but the master is located near the front and the secondary bedrooms are off the back the home. The master features a walk-in closet and a bath with dual vanities and whirlpool tub. The large corner lot means the backyard has good privacy and the yard has been totally fenced. It has a covered patio area and the patio has been extended. There is ample room for pets and kids to play. This home features a security system. Call your agent today, between super low rates and downpayment assistance, you could own your very own home less than rent!
